HINO JAPAN VISITS SHERRIN EQUIPMENT

Above: Daniel Petrovski, Jiro Nakanishi, Steven Goulding, Paul Brooks, Ben Hill, Jun Aikawa & Brad Elliott, meet at Sherrin Equipment Head Office in Brisbane.

4x4 rental fleet in the next financial year, Hino were keen to meet with Sherrin Equipment to obtain a greater understanding of their application in the marketplace, whilst also exploring avenues for improving their product range in the future.

Jiro Nakanishi, Manager Product Planning Department – Overseas Planning Division, Jun Aikawa, Assistant Manager Medium Duty Trucks – Product Planning Division and Daniel Petrovski, Product Planning Coordinator – Hino Motor Sales Australia joined Brad Elliott from Sci Fleet Hino in Brisbane to form the visiting party that toured the facilities and met with Sherrin Equipment Management.

Numerous photos were taken of our Travel Towers and countless questions were asked by the Hino team during the meeting which proved beneficial for all in attendance.

SHERRIN Equipment recently hosted members from Hino Motors Ltd Japan and Australia at our Head Office facilities in Pinkenba, Queensland.

The Sherrin family, through many of their businesses, have been purchasers of Hino product for over 20 years and have appreciated the national after sales support provided by Hino, along with their reliability in the Australian market and their economical running costs over the life of the truck.

Hino Japan requested the meeting following Sherrin Equipments continuing purchase of Hino vehicles for our growing rental fleet. With enquiries for 4x4 rental fleet ranging from Western Australia, Queensland, Victoria, South Australia and New South Wales, Sherrin Equipment have opted to truck their 18M Glove and Barrier Travel Towers on Hino GT8 trucks. With 30 units earmarked for our
